PEOPLE FIRST IS THE WAY WE DO BUSINESS

At Heritage, we do things a little differently to the banks. For starters, we're owned by members, not shareholders, so our focus is always on providing member benefits - in the form of better rates and better service - rather than maximising profits. In everything we do, we put *People first*. We actively encourage people to come in to our branches. We keep them open longer. We don't turn our backs on less-populated and rural areas. And unlike the banks, we're opening new branches all the time, instead of closing them.

People first.
